

Methodist Women's Hospital & 717 Medical Office Building

METHODIST 192 DODGE PARKING

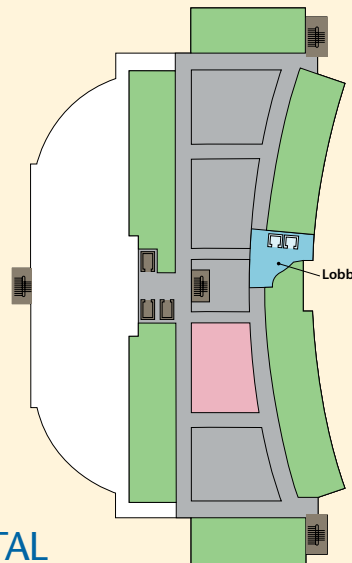

- **Patient/Visitor Pick-Up & Drop-Off**
Methodist Women's Hospital and the 717 Medical Office Building main drives are available for patient and visitor pick-up and drop-off. Please remember that the drives are passenger loading zones only.
- **Valet Parking**
We encourage Women's Hospital patients and visitors with special needs to use our valet parking. Valet is free of charge and tipping of valets is not required. The valet stand operates in front of Methodist Women's Hospital, Monday through Friday, 7 a.m. to 5:30 p.m. After hours, call (402) 354-4055 or dial "44055" from a hospital phone to request assistance from Security. We also recommend the use of valet parking to facilitate patient dismissals. Please remember to present your valet parking ticket to the nurse or patient escort so that your car can be waiting when you and/or your patient are ready to leave.
- **Patient & Visitor Parking**
The flat surface parking areas (Lots #1, #2 and #3) are designated for use by patients and vendors. Patients and visitors of the 717 Medical Office Building are encouraged to park in Lot #3.
- **Handicapped Parking**
- **Emergency Department**
The parking area located directly outside the Emergency Department on the back side of Methodist Women's Hospital is designated for Emergency Department patients only.
