

Nebraska Methodist College's Accelerated Community-Based Education Nursing Program (ACE)

Unofficial Prerequisite Courses and Description Guide – August Enrollment

*Tentative worksheet until finalized by the Registrar's Office staff, if accepted into the program.

Completion of the following courses can be accomplished through enrollment (on campus or online) at an accredited university or community college. Applicants can be in the process of completing the prerequisites when applying to the program; however all admitted students must complete all prerequisites by the July prior to the program start.

[Transfer Guides](#) for various institutions are posted as a guide for students regarding prerequisite registration.

Complete this academic evaluation worksheet with the course name, ID # and institution. Once you have reviewed your coursework and determined what courses you might be deficient in and/or have questions related to, we would be happy to entertain a conversation or campus visit. This can be set up by contact Enrollment Services at admissions@methodistcollege.edu.
