

## ABSN PREREQUISITE COURSES AND DESCRIPTION GUIDE

Completion of the following courses can be accomplished through enrollment (on campus or online) at an accredited university or community college. Applicants can be in the process of completing the prerequisites when applying to the program, however all admitted students must complete all prerequisites by the July prior to the program start.

[Transfer Guides](#) for various institutions are posted as a guide for students regarding prerequisite registration.

Complete this academic evaluation worksheet with the course name, ID number and institution. Once you have reviewed your coursework and determined what courses you might be deficient in and/or have questions related to, can answer any questions during a call or campus visit. This can be set up by contacting Enrollment Services at [admissions@methodistcollege.edu](mailto:admissions@methodistcollege.edu).

Many Intro to Sociology courses meet this requirement. However, you should always check with your admissions coordinator.	3	

**ADDITIONAL NOTES**

- Students must earn a grade of C- or higher in order to fulfill prerequisite courses.
- One course cannot be used to satisfy more than one prerequisite.
- To review a full description of prerequisite course summaries, please visit NMC's website.
- All approved transfer credit is posted to deposited student's advising worksheet once official transcripts are reviewed by the Registrar's Office. Students should not assume courses will fulfill prerequisite requirements until posted on the advising worksheet.

\* For associate prepared students only: At least one course in the three Humanities areas (HUM255) has to be in the History department. Two HUM courses (HUM255 & HUM220 OR HUM270) can be another history course with HUM255, but all three HUM classes cannot be in history.

\*\* For associate prepared students only: Replaces SSC235 – Introduction to Sociology requirement
