

33rd Annual Management of Colon and Rectal Diseases Conference

University of Nebraska at Omaha, Barbara Weitz Community Engagement Center, 6001 Dodge Street, Omaha, NE 68182
Saturday, February 22, 2025, 7:00 AM to 12:30 PM

Program Details

This conference is designed to update primary care physicians, nurses, pharmacists, and support staff on recent advances in the management of lower gastrointestinal diseases that are commonly seen in primary care practice. The information presented is intended to enhance clinical competence in the office management and differential diagnosis of selected colon and rectal diseases and may include initial management as well as guidelines to assist in determining when referral to specialty consultants is indicated.
