

COVID-19 Exemption Review Process *(updated April 2022)*

COVID-19 Medical and Religious Exemption forms are located on the Nebraska Methodist College COVID-19 Resource webpage. Students complete the appropriate form and upload into their CastleBranch compliance tracker. DNP students will upload the completed exemption form into Typhon or provide the form to their Program Director. Forms will be reviewed by the NMC Exemption Review Committee, which consists of the Director of Campus Health, Chief Student Officer, Vice President of Institutional Effectiveness, and medical professionals. Students will receive exemption approval or denial by NMC email and the decision will be considered final. See CastleBranch or Typhon for COVID-19 vaccination/exemption form due dates.

Submit to CastleBranch/DNP Program Director dates:

- Fall start students - August 1st
- Spring start students - January 1st
- Summer start students - May 15th
- ACE students - June 1st
