

*****NMC UPDATE 11/23/2020—RE: Campus Thanksgiving Holiday Break Hours*****

NMC students and College Community—below please find the campus operations and services hours over the Thanksgiving holiday break. We understand the challenging choices that come with continuing to do what each of us can to mitigate the spread of COVID-19 and wanting to celebrate the holidays with family and friends. Here's a link to an article [“Holidays During the COVID-19 Pandemic: Making Difficult Choices and Lowering Your Risk”](#) from our EAP/SAP partners that offers some advice.

As a reminder, NMC's COVID-19 Resource web page contains up-to-date campus COVID-19 protocol, support, resource and testing information. Students--if you plan to travel internationally during a holiday or semester break, please let campus health know, as you are required to quarantine upon return from travel prior to attending on campus class, lab or clinical. To help yourself and your classmates finish the fall semester strong, practice good hand hygiene, physically distance while studying and eating with each other, wear your masks, refrain from indoor and large gatherings, and reach out to us as soon as you need help.
