**POLICY OWNER:** President, CEO

**POLICY:**

**Daily Health Screening Guidelines:**

Before coming on campus, everyone including NMC faculty, staff, and students must pass a daily health self-screen to verify that you do not have COVID-19 symptoms or exposures that would put you at risk for infection. If you are ill or have any symptoms of or test positive for COVID-19, you must stay home and contact Campus Health or your Primary Care Provider.

- Self-screen for symptoms of COVID-19 or any illness before coming to campus or clinical facility.
- Self-screen for travel internationally.
- If unvaccinated, self-screen for COVID-19 exposure.
- Self-screen temperature at home before coming to campus or clinical facility (needs to be below 100 degrees).
- If any YES answers on self-screen, DO NOT come to campus for class or go to clinical. Call Campus Health at 402-354-7211.
