

SUBJECT: COVID-19 Self-Screening
REVIEWED/REVISED: 6/16/20; 6/01/2021
PURPOSE: To provide guidance on self-screening protocol
POLICY OWNER: President, CEO

POLICY:

Daily Health Screening Guidelines:

Before coming on campus, everyone including NMC faculty, staff, and students must pass a daily health self-screen to verify that you do not have COVID-19 symptoms or exposures that would put you at risk for infection. If you are ill or have any symptoms of, test positive, or have exposure to COVID-19, you must stay home. Self-screen for symptoms of COVID-19 or any illness before coming to campus or clinical facility.

- Self-screen for travel internationally or by air, bus or train within continental United States.
- Self-screen for COVID-19 exposure.
- Self-screen temperature at home before coming to campus or clinical facility (needs to be below 100 degrees).
- If any YES answers on self-screen, DO NOT come to campus for class or go to clinical. Call Campus Health at 402-354-7211.

ONE of the following symptoms is considered a positive screen	TWO of the following symptoms is considered a positive screen
<ul style="list-style-type: none"> • Dry, persistent cough • Shortness of breath or difficulty breathing • Fever > 100.4 	<ul style="list-style-type: none"> • Gastrointestinal symptoms (diarrhea or vomiting) • Sore throat • Sudden loss of sense of taste and/or smell • Headache • Body aches
