PROFESSIONAL DEVELOPMENT

Continuing Education for Healthcare Providers

Built upon over 30 years of Nebraska Methodist College's successful Continuing Education department, the Division of Professional Development and Community Partnerships was founded in 2013 based upon the growing need to provide quality, peer-reviewed continuing education to healthcare providers, while also offering certifications to current and aspiring healthcare professionals.

When you find the course you would like to learn more about, or register for, click “Learn More.”

January	1/1/2020 - 12/31/2020	Online	<u>2019 Pulmonary Updates-Radiosurgery, Medications, Case Studies</u> Spaces Remaining: 942 This program will provide current information and evidence-based guidelines that will enhance clinical and professional practices related to the care of patients with pulmonary disease.  Learn More
	1/1/2020 - 12/31/2020	Online	<u>A3 Problem Solving</u> Spaces Remaining: 976 This online course offers training for an individual interested in learning an easy to use and step by step methodology for facilitating continuous improvement activities in a variety of settings. Although focused in the healthcare venue, successful completion of the course will allow the student to solve problems and make improvements in any organization. Learn More
	1/1/2020 - 12/31/2020	Online	<u>Acceptance and Commitment Therapy (ACT)</u> Spaces Remaining: 947 This presentation is designed to familiarize participants with an empirically-based psychological intervention that is designed to address emotional distress through the development of increased psychological flexibility. This cognitive behavioral therapy uses mindfulness and acceptance strategies to “re-frame” how we relate to our thoughts, memories, and experiences so that we are able to pursue things that we personally value, and to commit to needed behavior change.
