

Details

Thursday, November 7, 2024, 3:30pm-7:15pm CST and Friday, November 8, 2024, 8:00am-4:30pm CST
Embassy Suites by Hilton Omaha Downtown Old Market, 555 South 10th Street, Omaha, NE 68102

The purpose of this conference is to bring together nurses and healthcare professionals from across the region to discuss current evidence-based practices that enhance clinical and professional practices related to the care of older adults.

Key Points:

- Core principles and components of the Age-Friendly Health Systems initiative, including the 4Ms framework (What Matters, Medication, Mentation, Mobility)
- Impact of the NICHE practice model and preparing the nursing and interdisciplinary workforce for age-friendly care
- Identify and align care with each older adult's specific health outcome goals and care preferences
