**POLICY:**

Prior to enrolling, all degree- and certificate-seeking students admitted to NMC must have a physical health exam and must complete the required forms. Although students are welcome to use a healthcare provider of their choice, the NMC Campus Health Center will provide the exam and necessary immunizations at greatly reduced costs. The exam at Campus Health is \$30.

Campus Health is located on the second floor of the 501 building on the Josie Harper campus. An appointment is required. Call [\(402\) 354-7211](tel:4023547211) or [\(402\) 354-7260](tel:4023547260).
