Please develop a thoughtful and organized response to the questions below. The admissions committee is looking for responses that are not only well supported but that also use appropriate style and grammar. Each question response should be approximately 250-400 words using APA format and citations where applicable. Also know that instances of plagiarism within an applicant’s personal statement will disqualify them for acceptance to Nebraska Methodist College due to the College’s commitment to academic integrity and stringent plagiarism policies. **Be sure to include your name and program on the document itself.**
