## Description

Located in the heart of Omaha, Nebraska Methodist College (NMC) is among the top accredited nursing and allied healthcare colleges in the nation.

## About NMC

Nebraska Methodist College is an accredited, private not-for-profit nursing and healthcare college. It's where students live with meaning and discover what they want to give back to the world while thriving in a close-knit, caring community established in 1891. With an enrollment of over 1,100 students, NMC is small enough to truly care about each student and large enough to provide outstanding undergraduate, graduate and certificate programs in nursing and allied health.

NMC students experience a holistic culture of caring while mastering the art and science of healthcare. They gain the skills and experience needed to become outstanding contributors to society through service-learning experiences, community-based education and leadership development integrated throughout the curriculum.
